The most recent donation of \$5,000 was made by John Willey II, Peninsula Oil president, to Autism Delaware. "We have been serving Delmarva for over 80 years, and it is our privilege and pleasure to give back to the community who has supported us in our business. Our five-year partnership with Focus Multisports has resulted in \$20,000 for Autism Delaware to continue their great work, with hopefully more to come in the future!" said Willey.

"At Focus Multisports, we believe in the power of philanthropy. We believe in the partnership between for-profit businesses and the nonprofit sector. Our alliances strengthen local organizations and provide businesses
